Earl Nobles Family Service Center:

The Earl Nobles Family Service Center opened October 28, 2001. The Center is committed to serving the Orlando, Florida community and its environs through efforts that help to meet the natural and spiritual needs in our communities. The Center puts food on the table for those who are less fortunate in our community and works with local employers to obtain jobs for unemployed men and women. The Center hosts the Annual Neighbors Helping Neighbors Festival that provides a wide variety of items for families in need. A Family Literacy Program is in place to empower people through education and to help build self-reliance. This 5K run is all about raising the awareness of the Center in the community and raising funds for the Center to continue its out-reach programs that are providing hope for so many families.
